

Exhibitors

28th Annual International Operating Conference & Trade Show
George R. Brown Convention Center & Hilton Americas-Houston
June 9-11, 2008 • Houston, Texas

<u>Booth</u>	<u>Company</u>	<u>Brief Description</u>
545	A.R. Watson Inc.	Tank lifting & relocating
141	AC2, Inc.	Management, visualization and reporting software for b
950	Aaron Oil Company, Inc.	
649	Accord International, Inc.	
940	Advance Tank & Construction	
339	Allentech, Inc.	Internal floating roofs & seal systems
847	Allesco	Portable meter prover packaging
638	Allied Energy Corporation	Petroleum reclamation tank cleaning vacuum truck
304	American Heating Company	Thermal fluid heaters, tank heating coils
148	American Petroleum Institute	Trade association
436	American Tank & Vessel, Inc.	Aboveground storage tanks, pressure vessels, spheres, dige
821	Ametek Automation & Process Tech	Magnetostrictive level sensors
821	Ametek Measurement & Calibration Technologies	Petrolab & grabner flashpoint, distillation, petroleum testers
953	Analytical Testing Consultants, Inc.	Environmental testing and consulting firm totally focused on :
455	Ansul Incorporated	Ansul/Tyco Fire Suppression Group will present its array of ti
808	Anton Paar	Develops and produces highly accurate and reliable instrume
326	Apollo International Corp.	Hoses for docks and terminals
203	Argus Consulting, Inc.	Design
453	ARTA Armaturen-und Tankgerätebau GmbH & Co. KG	Stainless steel armatures; high quality spill prevention syste
311	Baker Tank Co./Altech	API 650 tanks, tank inspection & repair, floating roofs
851	BakerCorp	
651	Bekaert CEB Technologies	Waste gas burner systems, CEB - Clean Enclosed Burner S
144	BIC Alliance	Marketing Services, publishing, M&A, recruiting
217	Blackmer	Pumps and compressors manufacturer
551	BORSIG Membrane Technology GmbH	Membrane Technology
656	Brand Energy & Infrastructure Services	Asbestos/lead abatement, painting, insulation
321	Brodie International	Liquid meters
405	Brown-Minneapolis Tank Co.	Guard tanks and dispensing systems
817	Bullard Company	Loading racks, process pipe, modular skids, access equipme
319	Burner Combustion Systems, LLC (Miura Boiler)	The most efficient, economical industrial steam
244	C&C Welding, Inc.	Inspection, repairs & alterations
252	Caldwell Tanks	Constructor of elevated storage tanks, construct ground stor
117	Cameron's Measurement Systems Division	Ultrasonic flow meters for custody transfer measurement of l
117	Cameron Valves & Measurement	Valves for the control of liquid petroleum products
152	CAR-BER	Specialty isolation and hydrotesting services
701	Carbis, Inc.	Tank truck access and fall prevention - loading arms gangwa
601	Chicago Bridge & Iron Company	Tank design, construction, and repair
102	Century Group, Inc.	Railroad spill collection
756	Chemguard	Fire fighting foam concentrates and systems equipment

<u>Booth</u>	<u>Company</u>	<u>Brief Description</u>
110	Chemtec Energy Services, Inc.	Additive injection and blending systems
233	Civacon	Valves, couplings, fittings, overfill protection systems
721	Coastal Flow Measurement	
328	Conservatek Industries, Inc.	Clear span aluminum covers. Geodesic domes and flat covers
412	Consolidated Fabrication & Constructors, Inc.	Tank repair and construction, tank inspection, show services
730	Control Systems International	Pipeline Scada; terminal automation
835	Core Terminal Products	Products for full protection, safe access, marine applications
704	Corrosion Control Incorporated	Corrosion engineering and cathodic protection
229	Corpro	Corrosion prevention and construction engineering
507	Daniel Measurement & Control, Inc.	Terminal automation systems for the chemical, oil & gas, refinery
735	Dearman Systems, Inc.	Terminal automation software & enterprise management software
748	Dehumidification Technologies, Inc.	Rental of dehumidifiers
136	Delta Consultants	Environmental Compliance, Remediation and Web Based EHS
738	Denso North America Inc.	Pile protection systems and coatings
650	Determan Brownie, Inc.	Dispensing, blending, metering equipment. Installation, field
541	Divicom Inc.	Terminal and pipeline equipment, flow meters, meter skids, tanks
135	Dixon Valve & Coupling Company	Manufacturer of all types of industrial fittings, valves & quick
642	DJA Inspection Services, Inc.	Aboveground storage tank inspection
317	Don Miller & Associates, Inc.	Tank cleaning, tank repair, tank inspection, pipeline inspection
753	Dresser Pressure Regulation Group	Manufacturer of liquid surge relievers and pilot-operated regulators
727	Dresser-Rand	Portable air movers for tank ventilation
316	DTN	Terminal automation systems, transaction management software
621	Ed Martin & Associates	Sampling & testing equipment - calibration services
101	Emco Wheaton USA, Inc.	Loading arms
507	Emerson Process Management	Terminal automation, tank gauging, presets, meters, valves
709	Enardo, an HMT Company	Safety & equipment vapor control products
452	Entessa, Inc.	Terminal software for scheduling, inventory management, billing
720	EnviroCon Systems, Inc.	Geosynthetic liners and containment beams
945	Enviroline Group	Provide chemical resistance through high solids and fast curing
457	Evergreen Industrial Services	Tank cleaning and degassing
636	Fisher Tank Company	Tank repair & new tank construction as well as turnkey
109	Flexible Lifeline Systems	Turnkey provider of fall protection systems
240	Fluxo Integrated Solutions	Full solutions for terminal automation
209	FMC Technologies	Liquid & gas measurement products and fluid loading & transfer
523	Gas Equipment Co., Inc.	Warehouse distribution specializing in transfer & control
501	Gauging Systems Inc.	Tank gauges, interfaces, inventory software
725	GE Analytical Instruments	Oil-on-water sheen detection systems
841	GEM Mobile Treatment Services, Inc.	Degassing/vapor control mobile waste water treatment
521	General Atomics Electronic Systems, Inc.	Terminal automation presets, blenders, flow control products
543	General Combustion/Gencor	Hot oil heaters, coils, piping, tanks, and pumps
948	Global Tank Leasing	
350	Godwin Pumps	Automatic self-priming Dri Prime® pumps
251	Green Manufacturing	Complete line of access and fall protection equipment for loading
620	Groth Corporation	Low pressure venting, flame & detonation arresters, tank blanketing
824	Gulf Hydrocarbon	Provide biodiesel 24/7 to terminals in the US and Puerto Rico

<u>Booth</u>	<u>Company</u>	<u>Brief Description</u>
830	Halcrow	Global maritime terminal engineering consulting firm
853	Hayward Baker, Inc.	Geotechnical contractor
108	Hazardous Cargo Bulletin	Specializing in the news & coverage of the storage & distribu
803	HAZMATPAC	Manufacturer and distributor of certified containers
506	Heatec, Inc.	Thermal fluid heaters, heating coils, and booster heaters
609	HMT Inc.	Tank maintenance, repair, construction, innovative tank prod
707	HMT Inspection	Tank inspection and engineering services, tank calibration, t
417	Honeywell Enraf Americas, Inc.	Gauging, loading, inventory management systems, loading a
637	Horiba Instruments, Inc.	Technologies for measuring varying levels of sulfur in fuel sa
342	Hose Master, Inc.	Flexible stainless steel hoses and expansion joints
116	Industrial Info Resources, Inc.	Providing online industrial plant and project databases for gl
126	Industrial Surfacing Corporation	Specialists in erosion, drainage, and secondary containment
751	Innospec Fuel Specialties	Performance & refinery fuel additive, specializing in ULSD
410	Insultherm Inc.	Insulation panel systems
151	Integrated Command Software, Inc.	Integrated SCADA, access control, surveillance, & facility co
242	Intergulf Corporation	Tank cleaning project management, wastewater treatment, t
832	International Paint, LLC	Paint manufacturer
348	International Tank Service, Inc.	Fabrication and erection of aboveground storage tanks
850	Jensen Mixers	Mixing machinery
644	John Zink Company	Vapor control equipment and services
451	Jordan Technologies, Inc.	International vapor recovery, vapor combustion equipment s
952	Kanon Loading Equipment	Manufacturer of marine loading arms, truck and rail loading a
106	Kelley Construction Inc.	Industrial general contractors
946	King Valve Company, Inc.	Manufactures emergency shut-off safety valves
700	L&J Technologies	Tank level gauging - tank fittings, relief valve, flame arrestors
722	Lide Industries	Fabrication of carbon & stainless steel storage tanks
757	Lightning Eliminators & Consultants, Inc.	Industrial grade solutions for complex lighting, grounding and
443	Liquid Controls Group	Meters & accessories
437	Liquid Controls Group - Toptech	Terminal management hardware & software. A wide range c
223	Liquip International Pty Limited	Loading arms, API couplers, overfill protection, vapor recove
809	Loikits Industrial Services Inc.	Technical services provider for bulk terminals 24/7.
351	Lubrizon Corporation, The	Additives
124	LUDECA, Inc.	Laser shaft alignment/vibration monitoring equipment
407	M & J Valve, An SPX Brand	Pipeline & tank manifold valves for terminal service
253	Mansfield Industrial	Tank linings, specialty coating, insulating, fire-proofing
549	Mass Technology Corporation	Precision storage tank leak detection services
448	Matrix Inspection & Engineering, Inc.	Advanced NDE services, acoustic emission, AUT, ACFM, GI
643	Matrix Service	Tank construction/repairs, secondary containment, seals
947	Mesa Products, Inc.	Provide materials engineering and services for corrosion con
625	Mesa Rubber Company	Floating roof drain systems, fabrics, gauge pole covers and I
500	MFE Enterprises, Inc.	Tank floor scanners
949	MidContinental Chemical Co., Inc.	Petroleum additives to meet compliance and/or improve perf
104	Midwestern Services Inc.	Tank cleaning

<u>Booth</u>	<u>Company</u>	<u>Brief Description</u>
357	Mix Bros. Tank Services	Tank lifting, leveling, re-foundationing, re-location and under
640	MMC International Corp.	Electronic portable tank gauging equipment, CL couplings
856	Modu-Built Industries	Manufactures modular, fiberglass buildings 5'x5' and larger
806	MTS Systems Corp.	Manufacturer of liquid level sensors for tank gauging and inv
205	MultiTherm LLC	Heat transfer fluid, fluid analysis, heat exchangers
257	Net Safety Monitoring Inc.	Fire & gas detection, smoke detection, safety systems
550	Newson Gale, Inc.	Static grounding & bonding equipment for hazardous areas
657	NovaFlex Industries	Hose, fittings
537	Odessa Pumps and Equipment Company	Grundfos Pumps, Griswold Pumps, Blackmer Pumps, Gorma
736	Ogden Welding Systems, Inc.	Provide automated welding equipment
845	Oil Gas & Petrochem Equipment/PennWell	New petroleum equipment & services monthly magazine, we
855	Oil Mop, LLC	Emergency spill response, tank cleaning, vacuum trucks, an
557	Oil Price Information Service	Benchmark price by the world to buy and sell U.S. gasoline, i
206	Oilco Liquid Handling Systems	Swivel joints loading arms, vapor recovery equipment, floatin
826	OleumTech Corporation	Wireless level and pressure monitoring devices
107	OMNTEC /Innovative Sensor Solutions, Ltd.	Pipeline interface detection, wireless tank gauging and overfi
233	OPW Engineered Systems	Loading arms, swivels, VISO-FLO, KAMLOK, dry disconnect
201	Orion Marine Group	Marine construction, dredging, and diving services
833	Pala-Interstate, LLC	General industrial construction, AST design, repair new cons
142	Paratherm Corporation	Heat transfer fluids and system-related engineering services
653	Pasadena Tank Corp.	Design, fab, erect aboveground steel storage tanks
256	Pat Tank, Inc.	Above ground storage tank fabrication and repair
122	PCA Engineering, Inc.	Cathodic protection and tank inspection services
732	Philadelphia Mixing Solutions	Side entry mixers for refineries, terminals, tank farms and pi
349	Pigs Unlimited International, Inc.	Pipeline cleaning, pigs & pigging - related items
941	Pipe Products, a Ferguson Subsidiary	First tier distributor & turn-key solutions provider of all equipm
250	PLS Construction Services, Inc.	Geomembrane liners for primary and secondary containmen
133	Pneumercator Co., Inc.	Tank gauging and leak detection systems, wired and wireles
553	Port Security Services, Inc.	Specialized security services for screening, access control &
745	Power Transfer Products	Pump and meter sales and service
154	PPG Protective & Marine Coatings	Manufacture/Distributor of coatings, fire proofing, and linings
401	Praxair Services, Inc.	Premier provider of robotic tank floor inspection, tracer leak c
819	Primary Steel LLC	Wholesale stocking distributor of carbon steel products
717	Protectoseal Company, The	Tank blanket valves, pressure/vacuum vents, flame arresters
825	Protego (USA)	Pressure vacuum vents & flame and detonation arrestors
234	PURGIT division of Hilliard Emission Controls, Inc.	Exclusive manager for PURGIT vapor control, refrigerated va
648	RAGWORM® by Jet Set Hydro Technics B.V.	Ultra high pressure water - cold cutting tank bottoms, oil stor
813	Remediation Service, Int'l (RSI)	Tank degassing & portable vapor abatement & treatment soi
507	Remote Automation Solutions	Lead provider of terminal automation equipment
807	Response Management Associates, Inc.	Regulatory compliance, incident management, training and e
356	River	Engineering project management and construction managen
951	Rockford Corporation	Tank construction
236	Rocky Mountain Fabrication	Tank design, fabrication and erection
507	Rosemount Tank Gauging N.A., Inc.	Radar tank gauging, SIL-2, temperature and interface detector
243	Rosen	Tank bottom inspection, API653, API570
416	Rotork Controls, Inc.	Valve automation

<u>Booth</u>	<u>Company</u>	<u>Brief Description</u>
635	S.T. Hudson Engineers Inc.	Marine engineering, environmental services, design/suited, hydraulic
724	Safe Harbor Access Systems, LLC	Access and fall protection systems for bulk loading and unloading
616	Sandborn Roofs Inc.	Internal floating roofs
519	Saybolt LP	Tank calibration service, lab & inspection service for petroleum
508	Scully Signal Company	Spill prevention, high level control, inventory control
639	SedCon Technologies, Inc.	Shoaling Prevention Systems
942	Seneca Companies	Waste solutions
420	Sherwin-Williams Company, The	Coatings
118	Siemens Energy & Automation	Process instrumentation solutions for hydrocarbon applications
450	Solares Florida Corp.	Distributor of measurement & fluid transfer equipment
129	Solidification Products Int'l. Inc.	Passive oil containment systems and products
801	Spade Corporation	Petroleum contracting company
146	Spectrex, Inc.	Flame detectors and open path gas detectors for hydrocarbons
805	StocExpo	International tradeshow and magazine for bulk liquid terminals
733	StopAQ Amcorp Inc.	Products for chrome sealant, corrosion prevention, waterproofing
150	Steel Tank Institute/SPFA	Trade association of shop-fabricated storage tanks, elevated tanks
100	STV Incorporated	Engineering planning, environmental & construction management
843	Sun Engineering Services, Inc.	Full services engineering/design firm for pipelines, pump stations
737	Superior Industrial Maintenance Co., Inc.	Fuel terminal/terminal, water, and chemical tank maintenance
731	Tank Builders, Inc.	Field erected storage tanks
210	TCI Services, Inc.	AST inspection, engineering, repair & construction
504	Team Industrial Services, Inc.	NDE/NDT tank inspections, hot taps, leak & repair, & bolting
322	Technip-Coflexip Division	Roof drains, rim fire protection systems
337	Temcor	Aluminum geodesic domes
816	TEPSCO, L.P.	Foundations, piping, equipment setting, E&I construction
228	TESCO/Symex Americas	Vapor recovery, loading racks, piping, gauging
719	Texon, L.P.	Butane blending
605	Thermal Industrial Insulation, Inc.	Tank insulation systems
844	Titan Industries	Additive injection equipment, blending systems, service, installation
507	TMS (Terminal Management Solutions)	Terminal automation application for loading/unloading trucks
956	Total Meter Services	Terminal automation software and loading rack fabrication
840	TPS, LLC Gulf Coast Sales & Service	Manufacturer of filtration equipment and services for the oil & gas
836	TriStar PetroServ, Inc.	AST cleaning, waste processing & minimization, degassing & dewatering
249	TUV SUD PetroChem Inspection Services Inc.	API and NDE inspections to include guided wave & API 653
125	Tyco Thermal Controls	Tank insulation, heat tracing & leak detection systems
125	Tyco Valves & Controls	Pressure/vacuum valves, tank blanketing regulators, pilot operated
623	U.S. Tank Protectors, Inc.	Cathodic protection design, materials, & installation for AST's
631	Ultraflote Corporation	Engineered cover solutions for odor control and product quality
157	United States Services Group	Vapor recovery, environmental services, tank cleaning
555	US EPA - Region 6	Environmental regulations and outreach
232	US Hose Corporation	Manufacturer of flexible metallic braided hose; tift & willcox covers
134	Utility Contractors, Inc.	Civic foundation, secondary liners
741	Vacono Aluminium Covers GmbH	Aluminum geodesic domes and internal floating covers
300	Valve Concepts Inc.	Pressure/vacuum vents, emergency vents, flame arrestors, relief
750	Valve Systems and Controls	Double block and bleed plug valve, and motor operations

<u>Booth</u>	<u>Company</u>	<u>Brief Description</u>
301	Varec, Inc.	Tank gauging and terminal automation solutions
834	Veolia ES Industrial Services, Inc.	Tank maintenance, repairs and capital upgrades, tank cleani
618	Volcanic Heater Inc.	Thermal liquid heaters
422	W.L. Walker Company, Inc.	Static measurement/gauging equipment, thieves, centrifuges
820	WeamcoMetric	Manufacturer of meter provers & mag-tek detector switches &
517	Weed Instrument Co. Inc.	Temperature instrumentation fiber optic networking
145	Western Valve	Manufacturer of the DAN-EX Double Block and Bleed Plug V
955	Whessoe s.a.	LNG storage tank instrumentation systems
227	Williams Fire & Hazard Control	Terminal & storage tank fire protection products
138	World Bridge Industrial Co., Ltd	Manufacturer of aluminum dome roof and tank sealing system
552	XOS	Provides bench top and online ULSD sulfur analyzers
