

## Exhibitors

29th Annual International Operating Conference & Trade Show  
George R. Brown Convention Center & Hilton Americas-Houston  
June 8-10, 2009 • Houston, Texas

<u>Booth</u>	<u>Company</u>	<u>Brief Description</u>
545	A.R. Watson Inc.	Tank lifting & relocating
236	AARC Environmental, Inc.	
442	Aaron Oil Company, Inc.	Petroleum reclamation company
251	Abutec LLC	Low NOx flares, vapor combustors, gas to energy systems
504	AC2, Inc.	Terminal automation
348	Advance Tank & Construction	
537	Allentech, Inc.	Internal floating roofs & seal systems
843	Allesco	Terminal equipment and service metering skids provers
644	Allied Energy Corporation	Petroleum reclamation tank cleaning vacuum truck
806	Amcorr Products and Services	Products for chrome sealant, corrosion prevention, waterproofing
317	American Heating Company	Thermal fluid heaters, tank heating coils
319	American Tank & Vessel, Inc.	Aboveground storage tanks, pressure vessels, spheres, digesters, columns, towers
455	Ansul Incorporated	Fire extinguishers and hand line units; pre-engineered restaurant, vehicle, and industrial systems
902	Anton Paar	Process instrumentation for uses such as quality control to concentration measurement
953	APEX Piping Systems, Inc.	Mechanical construction, shop fabricated piping, pressure vessels & ASME code equipment
326	Apollo International Corp.	Hoses, fittings
947	Applus RTD	Non destructive testing and inspections, both standard and tailor made. Provides a wide range of services
651	ARID Technologies	Produce gasoline vapor containment system utilizing patented membrane technology
817	Argus Consulting, Inc.	Design
453	ARTA Armaturen-und Tankgerätebau GmbH & Co. KG	Manufacturer of stainless steel armatures
834	ATEC Steel Fabrication and Construction	Design fabrication and erection of aboveground storage tanks
755	Auma Actuators, Inc.	Electric motor valve actuators
311	Baker Tank Co./Altech	API 650 tanks, tank inspection & repair, floating roofs
904	BakerCorp	Equipment rental solutions
553	Bekaert CEB Technologies	Ultra low emission flaring systems
143	BGI Contractors	Tank construction & repairs, tank maintenance, restoration and upgrades
144	BIC Alliance	Marketing Services, publishing, M&A, recruiting
811	BIS TEPCO, L.P.	Engineering, construction, cathodic protection
223	Blackmer	Pumps
656	Brand Energy & Infrastructure Services	Scaffolding, insulation, painting, surface preparation, tank linings, retractor, fireproofing
339	Brodie International	Liquid meters
405	Brown-Minneapolis Tank Co.	Aboveground storage tanks, shop built tanks, UC142, ASME pressure vessels
124	Bulk Distributor – Storage	
840	Bullard Company	Structural fabrication, safety equipment, fall prevention, modular pipe rack systems
343	Burner Combustion Systems, LLC (Miura Boiler)	Low NOX steam boilers and burners
805	Caldwell Tanks	Field erected storage and process tanks, stainless & carbon, turnkey
118	California Centrifugal Pump, Inc. (CCP)	
117	Cameron Valves & Measurement	Valves - process valves for terminals and pipelines
901	Cape, Inc.	

<b><u>Booth</u></b>	<b><u>Company</u></b>	<b><u>Brief Description</u></b>
151	CAR-BER	Specialty isolation and hydrotesting services
701	Carbis, Inc.	Tank truck access and fall prevention - loading arms gangways
909	CarboVac	Vapor recovery systems
102	Century Group, Inc.	Railroad spill collection
756	Chemguard	Foam fire fighting concentrates and equipment
110	Chemtec Energy Services, Inc.	Additive injection, blending, and loading & unloading systems
601	Chicago Bridge & Iron Company	Tank design, construction, and repair
913	Clock Spring Company, LP	Complete line of composite pipeline repair products
856	Coastal Flow Measurement	Onsite/lab flow meter proving/calibration, prover sales/service
910	Conestoga-Rovers and Associates	Construction, construction management, engineering and environmental services
328	Conservatek Industries, Inc.	Mfg aluminum covers
412	Consolidated Fabrication & Constructors, Inc.	Tank construction/repair piping
730	Control Systems International	Pipeline Scada; terminal automation
917	Corrigan Consulting, Inc.	Specializing in environmental site assessments, compliance, permitting and ecological sei
727	Corrosion Control Incorporated	Corrosion engineering and cathodic protection
229	Corrpro	Corrosion prevention and construction engineering
926	Cudd Energy Services	
507	Daniel Measurement & Control, Inc.	Terminal automation systems for the chemical, oil & gas, refining and power industries
735	Dearman Systems, Inc.	Terminal automation & enterprise management software
242	Dehumidification Technologies, Inc.	Supplies refrigerant style dehumidifiers and temp control equipment
116	Delta Consultants	Environmental Compliance, Remediation and Web Based EMS Systems
738	Denso North America Inc.	Pile protection systems and coatings
919	Desmi Inc.	Producer of internal gear pumps. Rotan's modern modular design includes a back pullout
157	Determan Brownie, Inc.	Dispensing, blending, metering equipment. Installation, field service, maintenance
912	DGI-Menard, Inc.	Ground improvement specialist for storage tanks and tank containment on soft ground
519	Divicom Inc.	Terminal and pipeline equipment, flow meters, meter skids, blending skids
123	Dixon Valve & Coupling Company	Manufacturer of all types of industrial fittings, valves & quick couplers
745	DJA Inspection Services, Inc.	Aboveground storage tank inspections
653	Don Miller & Associates, Inc.	Tank cleaning, tank repair, tank inspection, pipeline inspection & repair
252	Dresser Pressure Regulation Group	Manufacturer of liquid surge relievers and pilot-operated regulators
217	DTN	Terminal automation, supply chain mangement for transaction management
621	Ed Martin & Associates	Gauging equipment and supplies, calibration services
201	Emco Wheaton USA, Inc.	Distribution loading arms, marine loading arms, ADI couplers & adapters
507	Emerson Process Management	Liquid products, process management
707	Enardo, an HMT Company	Safety & equipment vapor control products
452	Entessa, Inc.	Terminal software for scheduling, inventory management, billing & analytics
921	Envent Corporation	Tank degassing and vapor control services and vacuum truck vapor controls
720	EnviroCon Systems, Inc.	Supply and install liners
141	ESDC Engineering	Terminal and fire protection engineering consultants
146	Evergreen Industrial Services	Tank cleaning, degassing and waste minimization
145	Evergreen Tank Solutions	Temporary storage boxes and tanks and spill containment
751	Field Specialties, Inc./RSI	Tank degassing & portable vapor abatement & treatment soil remediation
625	Fisher Tank Company	Design, fabrication, construction & repair of above ground field erected welded & steel sto
109	Flexible Lifeline Systems	Engineered fall protection solutions
240	Fluxo Integrated Solutions	Full solutions for terminal automation

<b><u>Booth</u></b>	<b><u>Company</u></b>	<b><u>Brief Description</u></b>
209	FMC Technologies	Liquid & gas measurement products and fluid loading & transfer systems
922	Fort Vale Engineering LTD	Bottom loading API couplers & vapour recovery, dry break & dump adapters
523	Gas Equipment Co., Inc.	Transfer and control specialists, pumps, meters, loading arms, and dry breaks
501	Gauging Systems Inc.	Tank gauges, interfaces, inventory software & overfill systems
725	GE Analytical Instruments	Oil-on-water detection
826	GEM Mobile Treatment Services, Inc.	Degassing/vapor control mobile waste water treatment
521	General Atomics Electronic Systems, Inc.	Terminal automation presets, blenders, flow control products
440	General Combustion/Gencor	Hot oil heaters, coils, piping, tanks, and pumps
444	Green Manufacturing	Access & fall protection equipment
552	Greenberry Industrial	Provides aboveground tank construction, fabrication and repair
620	Groth Corporation	Low pressure venting, flame & detonation arresters, tank blanketing
932	Groundwater & Environmental Services, Inc.	Soil and groundwater assessment and remediation consulting, engineering, and hands-on
900	Halcrow	Global maritime terminal engineering consulting firm
543	Hayward Baker Inc.	Geotechnical contractor, foundation support, settlement control, site improvement, stabiliz
704	Heatec, Inc.	Manufactures thermal fluid and instant hot water heaters, asphalt storage tanks
944	HEMCO Industries, Inc.	Gangways, ramps, and loading racks provide safe access for loading/unloading tank truck
609	HMT Inc.	Tank maintenance, repair, construction, innovative tank products, turnkey tank maintenanc
711	HMT Inspection	Tank inspection and engineering services, tank calibration, tank coatings and linings
417	Honeywell Enraf Americas, Inc.	Tank gauging, facilities automation & inventory management, product blending & additive
637	Horiba Instruments, Inc.	Analytical instrumentation for the measurement of sulfur
700	Hose Master, Inc.	Flexible stainless steel hoses and expansion joints
908	Hydrocarbon Processing	Technical publications
905	InduMar Products, Inc.	Manufacture of pipe leak and emergency leak repair kits and systems
148	Industrial Maintenance Group Inc.	
126	Industrial Surfacing Corporation	Specialists in erosion, drainage, and secondary containment solutions
557	Innospec Fuel Specialties	Performance & refinery fuel additive, specializing in ULSD
410	Insultherm Inc.	Insulation panel systems
835	Integrated Command Software, Inc.	Integration of SCADA, access control and video surveillance subsystems for single point c
349	International Tank Service, Inc.	Aboveground storage tank erection
853	Jensen Mixers	Mixing machinery
142	John M. Ellsworth Co., Inc.	
648	John Zink Company	Vapor control equipment and services
342	Jordan Technologies, Inc.	Petroleum vapor recovery equipment & services
750	Kanon Loading Equipment	Manufacturer of marine loading arms, truck and rail loading arms and safety access equip
108	Kelley Construction Inc.	Industrial contractors
101	L&J Technologies	Tank gauging and storage tank fittings
722	Lide Industries	Shop tanks, field tanks, ASME vessels
457	Lightning Eliminators & Consultants, Inc.	Industrial grade solutions for complex lighting, grounding and surge problems
437	Liquid Controls Group	Meters & accessories
724	Liquip International Pty Limited	Loading arms, API couplers, overfill protection, vapor recovery
451	Loikits Industrial Services Inc.	Maintenance service company for vapor control and collection equipment; primarily servin
127	LUDECA, Inc.	Laser alignment/vibration monitoring tools

<b><u>Booth</u></b>	<b><u>Company</u></b>	<b><u>Brief Description</u></b>
407	M & J Valve, An SPX Brand	Block valves, control valves, mixers, pumps
907	M. L. Smith, Jr., Inc.	Shop fabricated and field erected API tanks, ASME vessels, hoppers, silos, ducts and star
903	Mascoat Products	Manufacturer of thermal
549	Mass Technology Corporation	Precision storage tank leak detection services
450	Matrix Inspection & Engineering, Inc.	Advanced NDE services, acoustic emission, AUT, ACFM, GUL, MFE, IRIS
643	Matrix Service	Tank construction/repairs, secondary containment, seals
436	Mesa Rubber Company	Floating roof drain systems, fabrics, gauge pole covers and leg boots
508	MFE Enterprises, Inc.	Tank floor scanners
803	MidContinental Chemical Co., Inc.	Fuel & biofuel additives
649	Mid-States Mechanical Services	
104	Midwestern Services Inc.	Tank cleaning
946	Mistras Services/Conam	Providing non-destructive testing & inspection for above ground & storage tanks
357	Mix Bros. Tank Services	Storage tank lifting, leveling, re-foundationing and re-location
639	MMC International Corp.	Portable tank gauging & sampling
954	MMI Tanks, Inc.	Field erected API-650, 620 tanks, API-653 inspections and repairs
345	MultiTherm LLC	Non-toxic & non-hazardous heat transfer fluid
249	National Energy Equipment	Dye, blend, additive metering, gauging, automation and control systems
226	Net Safety Monitoring Inc.	Industrial flame & gas detection, f&g systems
550	Newson Gale, Inc.	Static ground indicating systems, bonding clamps, cables & assemblies
945	Norit Americas Inc.	Activated carbon manufacturer
657	NovaFlex Industries	Hoses and dry break fittings also safety breakaway couplings
227	O'Briens Management Associates, Inc.	Environmental & emergency response planning & consulting
244	OCV Control Valves	
555	Odessa Pumps and Equipment Company	Grundfos Pumps, Griswold Pumps, Blackmer Pumps, Gorman Rupp Pumps, Texsteam P
847	Oil Gas & Petrochem Equipment/PennWell	Oil industry's only all-products-and-services magazine and website: ogpe.com
830	Oil Mop, LLC	Tank cleaning spill response
206	Oilco Liquid Handling Systems	Swivel joints loading arms, vapor recovery equipment, floating suctions
824	OleumTech Corporation	Integrated wireless tank monitoring and control
107	OMNTEC/Innovative Sensor Solutions, Ltd.	Pipeline interface detection, wireless tank gauging and overfill protection
233	OPW Engineered Systems	Liquid handling equipment, quick & dry disconnects
816	Orion Marine Group	Marine construction, dredging, and diving services
833	Pala-Interstate, LLC	General industrial construction, AST design, repair new construction
106	Paratherm Corporation	Heat transfer fluids
717	Pasadena Tank Corp., an HMT Company	Design, fab, erect aboveground steel storage tanks
924	Paso Robles Tank, Inc.	Full service tank contracting company. Erection, coating, engineering & CAD
256	Pat Tank, Inc.	Above ground storage tank fabrication and repair
122	PCA Engineering, Inc.	Cathodic protection and tank inspection services
642	Pelican Worldwide	Valves, gaskets, ancillary products for tanks
736	PetroChem Inspection Services Inc.	API and NDE inspections to include guided wave & API 653 tank inspections
823	Petro Marine Division, A&M Industrial	Safety products and personal protective equipment, tank gauging and sampling equipmen
732	Philadelphia Mixing Solutions	Side entry mixers for refineries, terminals, tank farms and pipelines
138	Phoenix Contact	Electrical/electronic terminal block manufacturer
350	Pigs Unlimited International, Inc.	Pipeline cleaning, pigs & pigging - related items
808	Pipe Products, a Ferguson Subsidiary	First tier distributor & equipment provider, skid & turn-key solutions provider

<b><u>Booth</u></b>	<b><u>Company</u></b>	<b><u>Brief Description</u></b>
250	PLS Construction Services, Inc.	Installation of liners for secondary containment
133	Pneumercator Co., Inc.	Tank gauging and leak detection
916	Polystar Inc.	Secondary containment - SPCC compliance
356	Port Security Services, Inc.	Security screening and escort of ship crew and stores at marine terminals
911	Porta-King Building Systems	Prefabricated buildings for guard buildings, equipment shelters, mezzanine for equipment
448	Power Transfer Products	Sale, service of pumps, meters, and filters
401	Praxair Services, Inc.	AST leak detection, piping leak detection & inspection, corrosion control for pipes and tanks
857	Primary Steel	
942	Prime Engineering, Inc.	Provides capital planning, feed, and detailed multi discipline design service to the petroleum industry
721	ProAct Services Corporation	Hydrostatic water treatment, hydro excavation treatment, construction dewatering, tank bottom
517	Protectoseal Company, The	Vapor and tank protection devices
825	Protego (USA)	Pressure vacuum vents & flame and detonation arrestors
234	PURGIT	Zero emission, tank de-gassing and tank vapor control
821	RAE Systems	Innovative sensor solutions serving industrial, energy, environmental and government safety
549	RAGWORM® by Jet Set Hydro Technics B.V.	Ultra high pressure water - cold cutting tank bottoms, oil storage, etc.
845	Rawell Environmental Ltd.	Environmental lining membranes for tank farms
507	Remote Automation Solutions	Lead provider of terminal automation equipment
257	River Consulting	Engineering project management and construction management for the liquid terminal industry
232	Rocky Mountain Fabrication	New Tank design, fabrication & erection, tank repairs
507	Rosemount Tank Gauging N.A., Inc.	Radar tank gauging, SIL-2, temperature and interface detectors/HMI's
741	Rosen	Tank bottom inspection, API653, API570
416	Rotork Controls, Inc.	Valve actuators and control systems
635	S.T. Hudson Engineers Inc.	Marine engineering, underwater surveys, regulatory compliance, hydrographic surveys
616	Sandborn Roofs Inc.	Internal floating roofs
623	Saybolt LP	Tank calibration service, lab & inspection service for petroleum & chemical industry
316	Scully Signal Company	Overfill protection
807	SedCon Technologies, Inc.	Manufacturers shoaling prevention systems for ship docks
920	SET Industrial Services, Inc.	
243	Shamrock Gulf	Designs, builds, fabricates storage tanks, vessels, skid packages for refineries, plants and
849	Shanghai Aile Petroleum Equipment Mfg. Co., Ltd.	Manufacturer of nozzles, tank transport products
420	Sherwin-Williams Company, The	Coatings
941	Silea	Manufacturing of components and equipment for the petrochemical industries
733	Solarcraft, Inc.	Designs and builds power integration solutions for remote and stand-alone communication
129	Solidification Products Int'l. Inc.	Oil spill containment products & systems
748	SOS Rubber International, Inc.	Fire safety and industrial hose
801	Spade Corporation	Petroleum contracting company
809	StocExpo	Europe's leading tradeshow for tank terminal operators and equipment suppliers
154	STV Incorporated	Engineering planning, environmental & construction management
737	Superior Industrial Maintenance Co., Inc.	Fuel terminal/municipal water tank maintenance - lead abatement - installation - floating roofs
918	Tampa Tank	Fabrication and erection of tank and yard piping
731	Tank Builders, Inc.	Field erected storage tanks
210	TCI Services, Inc.	AST inspection, engineering, repair & construction
150	TechCorr	InTank, tank cleaning, API 650 tanks, tank inspection & repair. Acoustic measurement of thickness
322	Technip-Coflexip Division	Roof drains, rim fire protection systems
819	Tellepsen Industrial	Full-service construction, fabrication and maintenance for the petrochemical industry

<b><u>Booth</u></b>	<b><u>Company</u></b>	<b><u>Brief Description</u></b>
337	Temcor	Designs, manufactures and installs aluminum covers and domes
228	TESCO/Symex Americas	Vapor recovery, loading racks, piping, gauging
841	Texon	Automated butane blending for gasoline terminals and pipelines
605	Thermal Industrial Insulation, Inc.	Tank insulation systems
844	Titan Industries	Precision chemical injectors, ethanol/biodiesel blenders, flow meters, additive pump skid &
507	TMS (Terminal Management Solutions)	Terminal automation application for loading/unloading trucks, railcars and barges
832	Tnemec Company, Inc.	High performance protective coatings and linings
437	Toptech Systems	Terminal automation products
836	TriStar PetroServ, Inc.	Tank cleaning chemical degassing, vapor control, tank degassing
120	Tulsa Engineering Alliance, Inc.	Engineering consulting
757	Turco Valve Supply Inc.	Array double block and bleed twin slip valve
222	Tyco Thermal Controls	Tank insulation, heat tracing & leak detection systems
915	U.S. Tank Protectors, Inc.	Cathodic protection design, materials, & installation for AST's
134	UCI	Heavy industrial contractor focused on infrastructure for the oil and gas industry
631	Ultraflote Corporation	Engineered cover solutions for odor control and product quality attainment
255	United States Environmental Services, LLC	Full-service environmental contracting firm specializing in hazardous and non-hazardous r
940	URS Corporation	Environmental consulting
952	US EPA - Region 6	Environmental regulations and outreach
321	US Hose Corporation	Manufacturer of flexible metallic braided hose; tift & willcox composite hose & fluoropolym
949	USA Environment, LP	A full service environmental contractor; remediation, construction, Norm/Rad; transportatic
135	Vacono Aluminium Covers GmbH	Aluminum geodesic domes and internal floating covers
500	Valve Concepts Inc.	Manufactures pilot operated tank blanketing and vent valves
650	Valve Systems and Controls	Valves and actuators
301	Varec, Inc.	Tank gauging and terminal automation solutions
253	Veolia ES Industrial Services, Inc.	Tank maintenance, repairs and capital upgrades, tank cleaning
237	Verwater	Tank lifting, tank maintenance and repairs, tank construction
618	Volcanic Heater Inc.	Thermal liquid heaters
422	W.L. Walker Company, Inc.	Static measurement/gauging equipment, thieves, centrifuges, bobs
948	W.T. Byler, Co.	Heavy/civil and railroad construction
820	WeamcoMetric	Manufacturer of meter provers & mag-tek detector switches & strainers
152	Western Valve	Manufacturer of the DAN-EX dual expanding plug valve; reconditioning services
100	Wilks Enterprise, Inc.	Portable infrared analyzers for measuring biodiesel and ethanol blends
351	Williams Fire & Hazard Control	Industrial fire response and equipment including systems & delivery, foam, monitors, pum
956	Worldwide Oilfield Machine, Inc.	API 6D dual seal ball valve
951	XOS	Provides bench top and online ULSD sulfur analyzers
950	Zerust Oil & Gas	Corrosion control solutions for the oil, gas and process chemical industries
